Dear Sir:

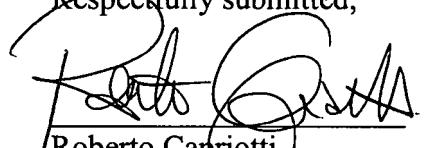

Applicant, in accordance with the duty of disclosure pursuant to 37 C.F.R. § 1.56, hereby advises the United States Patent and Trademark Office of the references listed on the accompanying form PTO/SB/08A *Information Disclosure Statement by Applicant* (Substitute for Form-1449A/PTO). With the exception of the United States patents and published application, copies of the references cited on the *Information Disclosure Statement by Applicant* are enclosed.

Applicant notes that the material being submitted herewith, as indicated in the attached Form PTO/SB/08B, was initially submitted to the Office in the form of a compact disc in a Supplemental Information Disclosure Statement filed June 12, 2007. The Office,

however, objected to the submission of the compact disc because it was not in ASCII format. Because Applicant is unable to obtain the compact disc in ASCII format, Applicant is submitting herewith printed copies of the materials originally submitted in compact disc form for the Examiner's consideration.

Applicant notes that although the cited references may be relevant to the examination of the above-referenced patent application, under 37 C.F.R. § 1.97(h), the filing of this *Information Disclosure Statement by Applicant* "shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b)."

Respectfully submitted,
